Visitors who use this website and rely on any information, do so at their own risk.

- The section titled 'Projects' catalogues the works engaged by Kan Gunawardena (the content author) at the various attributed Practices/Offices where he has had significant involvement with the design and/or delivery of the mentioned project. The principal reason for including this material is to demonstrate the said content author's design and project delivery abilities communicated via a portfolio of past professional works. The copyright for such material remains with the Practice/Office attributed, or where such copyright has been assigned by the said Practice/Office, with the respective nominated party. No material presented in this section may be downloaded, copied, or used for any other purpose other than to gauge the said content author's prowess.
- The sub sections labelled as 'Consultant Projects' and 'Student Projects' catalogue independent works of design commissions engaged, the copyright for which is retained by the content author. No material may be copied or used without expressed permission from the said content author.
- The section titled 'Research' catalogues academic research works, with arguments and material duly attributed where relevant, and follows accepted guidelines of academic rigor. The material may be used for non-commercial use without expressed permission, so long as the material is duly attributed as such, following accepted guidelines of academic rigor. Typically licensed as CC BY-NC-ND.
